

# 5 Greenelines on Expectations

## Acts 3:4

“Peter, gazing at him with John, said, ‘Look at us.’ So he paid attention to them, expecting to receive something from them.”

1. The lame man began his day with his old normal. He begged for alms at the temple gate.

2. When Peter and John came near, he didn't even notice. Peter had to tell him, “Look at us.”

3. The man looked up expecting coins for his can.

4. Instead, the man was healed. He received much more from the Lord than he could ask or imagine.

5. Check your motive for all that you expect of others.
