

A Fight Worth Having

In 2 Timothy 4:5-8, the apostle Paul encourages Christians to fight the good fight of faith. He tells Timothy to preach the gospel, do the work of an evangelist, and make full use of his God-given ministry. The Father is calling each of us to get in the ring and win souls for Him, but we cannot let intimidation and fear stop us. It's time to pick a fight with the enemy, and the Holy Spirit will empower us to bring our families, coworkers and strangers on the street to the Lord. Watch the video below.
