When I was in Houston, Texas, just recently, I sensed Jacob's ladder open over me.

I felt as if I was caught up in the Spirit and many things were also up in the air in the Valley of Decision. Meaning,

destinies and destiny scrolls for personal lives, regions and nations were available for the taking.

Many mantles and new anointings, were caught up in the heavenly realms, in the courts of heaven before the Lord God Almighty. And destinies and angels are getting ready to be released and launched from the throne room of God!

Prophetic Swirls and Whirlwinds

Blessings are falling onto the earth and manifesting in the natural realm. We are about to get caught up in a swirl and a vortex of wisdom and revelation, downloads and impregnations for the next season and what is to come.

Before the Hebrew year 5781 finishes and closes, you will end with a big bang; you will enter into 5782 with great launching of plunder, blessings and breakthrough.

Expect great closures of underlying issues and great closures on deals, contracts and partners.
