

AG Megachurch Pastor Warns Yoga Will Open You Up to Demonic Power

Megachurch pastor John Lindell warned in a recent sermon of the Satanic attachment to yoga.

Lindell, pastor of James River Church, says there is major spiritual danger associated with the practice that many people ignore.

“That, to me, is an indication of how far our society has drifted into a post-Christian culture. Earlier, it would have been a given that yoga was inherently a form of eastern mysticism that Christians should absolutely avoid, but that is no longer the case,” he says.

Yoga poses “were designed, they were created with demonic intent, to open you up to demonic power because Hinduism is demonic,” Lindell says.

But that’s not all he addressed in his paranormal-themed sermon.
