

America Has Reached a New Level of 'Satanic, Demonic' Darkness

As the tenets of polite society become thoughts of yesteryear, scholar Tom Horn says something distressing is on the rise.

"There is a level that's beyond profane," Horn says on *The Jim Bakker Show*. "It's satanic, it's demonic. In addition to just being flat-out discourteous."

And we're seeing it blasted from every media channel.

But there is hope. Take a look.
