

Apostles and Prophets Agree: God Wants to Do This in America

I never would have guessed that so many different leaders from so many different camps in the body of Christ would agree on this.

I mean, we argue and fight over so many things. We get in silly disputes over praying in tongues, whether God is still healing today, if women can speak in church—along with more serious debates over gay clergy.

But when I was writing *The Next Great Move of God: An Appeal to Heaven for Spiritual Awakening*, I found that everyone I spoke with had the same message on their heart: God is not done with America. He wants to bring a Third Great Awakening to the nation. I believe it's a Great Awakening that will spill over into the nations of the earth.
