

Are You Under a Generational Curse Right Now?

What does the Bible say about generational curses?

How does the physical (our body) affect the spiritual?

Can you pray and seek God better with a headache, tight pants, and a sluggish, lethargic body? Of course not.

When we're always dealing with stress, anxiety and sickness, can we do much for God? No, we will be limited. Why wouldn't the devil want to severely hinder productivity?

Here is a motivational sermon clip from pastor Shane Idleman at to help get you back on track.
