

# Are You Wasting Time on This Common Sin?

One of Mother Teresa's great quotes is "If you judge people, you have no time to love them."

There's a lot of judging in our lives today. It seems like the majority of words in mass and social outlets is written to judge and tear down. Yet there is so much good to write about, share and like.

We don't all have to agree, but life would sure seem better if we could find ways to speak to each other about common ground.

It takes so much more time to fuss.

I pray your weekend is filled with love.
