

Author Joel Rosenberg Says Russia, Iran, Turkey Moving Close to Israel Is 'Concerning'

Author Joel Rosenberg, who lives in Israel, says Ezekiel 38 and 39 prophesy that Russia, Iran and Turkey are going to be the primary countries that come against Israel in the end times. It's important to keep an eye on that when evaluating what prophecies are coming true to alert us to the coming of the end.

"It is odd to see Russia, Iran and Turkey moving so close to our borders—it's concerning, to say the least," Rosenberg says.

Rosenberg is a dual Israeli-American citizen and even had the privilege of meeting President Donald Trump, who asked him what it means to be a Jewish follower of Jesus.
