

Bible College Professor Teaches 'A Better Way to Pray'

Andrew Wommack, president and founder of Charis Bible College, recently led a teaching entitled "A Better Way to Pray." Wommack says that many people find their prayers ineffectual, and that this teaching addresses the most common pitfalls. He says, "Just because you pray doesn't mean you're connecting with God. You could be releasing the devil in your life." Watch and learn why how you pray matters more than if you pray.
