

Bill Hamon: This Is the Year of Divine Reversal

Bill Hamon says this is the year of divine reversal—but God's people have to do their job! He says it will take plenty of prayer, decreeing and warfare. But the potential results could be amazing: "This year is a vital, pivotal turning year—and if we obey God, and the church will walk like it's supposed to, we're going to see a turnaround and revival in America."
