

Bill Johnson Leads Bethel in Prophetic Prayer for 'Holy, Scary, Bold Courage'

Bill Johnson led Bethel in a corporate prayer for courage and to drive out fear. In this video, Johnson shares how God has been at work defeating fear in his own heart and says there's a reason "do not fear" is the most-often repeated command in the Bible. Then Steffany Gretzinger and the Bethel worship team perform spontaneously while people in the church pray over one another. Watch it all unfold in this video.
