

Bill Wiese: God Is Not Finished With America

Because of the evil and turmoil happening in the world, many Christians have asked me if the time of the tribulation has come. Most believers understand we are living in the last days. The increase of evil, lawlessness, fear, deception and natural disasters are all mentioned in the Bible. We see the anti-Christ agenda trying to come in before the time through the global lockdown.

However, God is not finished with our nation. He is not finished with His church. For the Christian, this is an exciting time to be alive! This is not a time to be asleep, to live in sin or to retreat. This is a time to arise to God's call on your life, walk in the fear of the Lord and be led by the Holy Spirit as never before!

Watch now.
