

Blame It on Vanity

She was the lead singer in the immensely popular girl group Vanity 6, but she was even more famous for her relationship with the singer Prince. But some 17 years ago, Denise Matthews gave her life to Christ and today she is an evangelist and author of the book *Blame It on Vanity*. Matthews has battled a number of life-threatening illnesses, but she continues to proclaim the gospel to a generation bound by deception. To hear her testimony, watch the video below.
