

Break Old Cycles for 2012

Israel was an example of a corporate group who had to overcome several things to enter their promised land. The following spiritual assignment will allow us to move forward into the fullness of God's plan for our lives as we look toward 2012. 

Make a list of old cycles. Now is the time to break from any old cycle that has held your promise and destiny in captivity. Declare that your Passover time of deliverance is now beginning. Ask God for signs, wonders, and miracles that will intervene in old cyclical structures of your life.

Be secure in timing. Declare that everything in your past be repaired and restored so that your future can be unlocked. Look up and see the window of heaven that is opening over you. Gain victory in strategic warfare. Do not be afraid to ascend in worship.

This is a time to experience God's glory. Draw near to God, and He will draw near to you. Ask God to open your eyes so you can see His glory. Make a list of promises. Even make a list of stirrings that have been in your heart that have never come to fullness. Let His presence direct you into the path of deliverance and *pass over* from captivity to freedom.

Position yourself for your future. The best is ahead!
