

Can Christians Divorce and Remarry?

A Christian leader who went through this brief overview suggested it be given to every pastor in every church to educate and prepare people for what the Bible teaches on this most important topic!

Is divorce totally forbidden? How do we help people feeling shame and condemnation from a divorce? What about couples who are at what they feel is a possible end to their marriage?

Listen to this brief video commentary by respected cultural commentator and bestselling author Larry Tomczak to gain hope and help in an area critically in need of being addressed from a biblically informed perspective today!
