We live in a nation of varying and conflicting beliefs. HEART ISSUE: Have you taken a stand for the cause of Christ lately when you were outnumbered? Have you taken a stand for righteousness when it was not the popular thing to do?

PRAYER FOCUS: Lord Jesus, I ask that you examine my heart and make me aware of how firmly I have—or have not—stood up for You. Show me how to reveal You to others through my actions and my attitude. Thank You for giving me renewed strength daily so that I can walk out my convictions. In Jesus' name, Amen.
