

Charisma Conference Opens With Powerful Prophetic Message in Tongues

A powerful team of intercessors took the stage Friday morning for the opening of the Charisma Conference, Streams of Revival.

Bright Ayrakwa, an ordained prophet, began praying ahead of Kim Daniels' message, breaking chains and launching a massive offensive in the spiritual realm.

Ayrakwa is an instructor for Midnight Cry, Daniels' ministry which teaches intercession.

The Charisma Conference starts Friday at 9:30 at Faith Assembly of God in Orlando. Speakers include Daniels, Mark Driscoll, Jonathan Cahn, Pat and Karen Schatzline and more.
