

Charisma Conference: Streams of Revival Coming June 22-23

Remember the Charisma Conferences of years ago? Tens of thousands of people experienced a powerful move of God at our past conferences. Now the Charisma Conference returns to see a generation experience a personal, fresh and transformative encounter with the Holy Spirit once again.

We need God like never before. I believe we need revival! So I'm officially announcing the Charisma Conference: Streams of Revival on June 22-23, 2018, at Faith Assembly of God, 9307 Curry Ford Road, Orlando, FL 32825.

Charisma Media is hosting this conference to help this generation experience a personal, fresh and transformative encounter with the Holy Spirit. Our nation needs God now more than ever. We need revival!

I—and others making this conference possible—sense a increased hunger for the power and presence of God. We see a groundswell in interest, even among other ministries. In our circle of influence, we want to be a catalyst for true revival in this nation.

Our two-day event will feature a dynamic group of speakers such as Jonathan Cahn, William McDowell, Mark Driscoll, Real Talk Kim (Kim Pothier), Pat and Karen Schatzline, Kimberly Daniels, Katie Souza, Katherine Ruonala and Jim Raley. Plus, David and Nicole Binion will lead us in anointed praise and worship. We believe in each of these powerful ministries and people!

I urge you to save the dates: June 22-23, 2018.

I so appreciate Marcos Perez, executive vice president of our book group, who is providing leadership for this great event.
