

# Charismatic Leaders Intercede Against COVID-19 in Response to Donald Trump's National Day of Prayer

In response to President Donald Trump's call for a National Day of Prayer on March 16, intercessors from across the body of Christ joined in a large-scale, online meeting to deal with the COVID-19 virus sweeping the nation and the globe.

The One Voice Prayer Movement joined leaders from Intercessors For America, the National Day of Prayer with ministries, prophets, pastors and intercessors focused on coronavirus Sunday night.

The livestream broadcast late in the day—after most nationwide prayer events concluded—included ministry leaders James Goll, Dutch Sheets, Kathy Branzell, Dave Kubal, Todd Lampher and Mario Bramnick, among others.

Intercession, prophetic declarations, Scriptures dealing with plagues and pestilences rounded out the broadcast 6 p.m. (EST) event limited to 5,000 people.

Watch the full broadcast dealing not only with coronavirus, but its economic impact on the nation's economy, the church's role in mitigating impacts on people suffering physically, spiritually and emotionally, as well as prayer for progress in developing a vaccination against COVID-19.
