

Charismatic Minister: What the Next Generation Wishes You Could Teach Them

Lyle Phillips, lead pastor of Legacy Nashville, talks to Teofilo Hayashi, founder of Dunamis Ministries in Brazil, about the next generation of Christians. Hayashi works with thousands of students in Brazil, and he says the next generation struggles to handle rejection and the silence of God. He says students ask him, "What do you do when your breakthrough doesn't come through when you think it should?" Listen in to his conversation with Phillips [here](#).
