

Chris Tomlin's Next Worship Mega-Hit Depicts Revelation 5 Throne Room

Chris Tomlin is adapting Andrew Peterson's song "Is He Worthy" for his new album, *Holy Roar*. Tomlin's last album made "Good Good Father" a national worship hit. So will "Is He Worthy" be the next breakout single? Don't be surprised if it is. Tomlin has a long history of releasing covers that outperform the originals, like "Everlasting God," "God of This City" and, yes, "Good Good Father." In this video, Tomlin and Peterson perform together an acoustic cover of the song, which imagines the throne room from Revelation 5.
