

# Christian Artist: There's Always a Reason to Celebrate

Christian singer/songwriter Phil Wickham performed some of his originals and other Christian worship songs live from his home with his children. He says no matter what we're experiencing, there's always a reason to celebrate.

"What a crazy time in history," Wickham says. "We've never experienced something like this, but we're all in it together and it's amazing that for those of us who believe in Jesus, the hope of the gospel and the hope of heaven, there's always a reason to celebrate and rejoice. I know a lot of our stories are different right now. Jobs on the line, health on the line. But know that God is with you; He'll never leave or forsake you."
