

Christian Film Critic Says 'The Grinch' Is 'One of the Best Christmas Movies Ever'

Movieguide®'s Dr. Ted Baehr says the new animated film *The Grinch* is one of the best Christmas movies ever made. Though Dr. Seuss' *How the Grinch Stole Christmas* has been adapted many times, Baehr says in this version, the characters' love for Christmas comes out in very Christian ways: "They're singing about the Lord Jesus. They're singing about the nativity of God incarnate. They're singing about biblical doctrine. It's just beautiful." Watch the full review [here](#).
