

Christian Speaker Issues Urgent Matthew 25 Challenge for Today's Church

Jason Petty, also known as hip-hop artist and speaker Propaganda, wants to re-challenge Christians to love one another and be the hands and feet of Christ. In this video from I Am Second, Propaganda says, "What a world we would live in if all they could say about Christians is like, '[Those] fools don't care. They just take care of folks.' What if that's what they said about us, is that we had a reckless abandon to serve our neighbors?"
