

Christine Caine: The Real Difference Between Gifting and Holy Spirit Anointing

Christine Caine spoke at the WorshipU On Campus 2018 gathering about the difference between anointing and gifting. Caine says, "A gift will stir people up, but the Bible says in Isaiah 10:27 it is the anointing that breaks yokes and chains and bondages." She says that we may have many gifted leaders, but we will not raise up truly anointed people unless we are willing to be crushed. What does that mean? Watch the video sermon [here](#) to find out.
