

Christine Caine: The Real Reason So Many Christians Never Get Healed

Countless people are broken, sick and hurting. And countless people want to be healed—right?

Sadly, that's not the case, says evangelist Christine Caine. More often than not, people get so comfortable with their problems that they begin to forget who they really are.

"The Bible is full of people who, we don't know their names," Caine says. "But we know their issues."

As Caine unpacks John 5 and Jesus' response to the lame man lying near the Pool of Bethesda, she offers the answer to true, complete healing.
