

Chuck Pierce: The Church Must Arise—Angelic Hosts Will Take Us Through the Door!

Dear Advancing Ones:

Revelation 4:1-2 says, “After this I looked. And there was an open door in heaven. The first voice I heard was like a trumpet speaking with me, saying, “Come up here, and I will show you things which must take place after this.” Immediately I was in the Spirit. And there was a throne set in heaven with One sitting on the throne!” (Rev. 4:1-2).

The door that God is opening is in the heavenly realm. He is aligning that door over us in the earth realm, which then causes angelic help to come. This opens the door to our future. This is exactly what we experienced on Sunday morning in our Celebration service.

On Tuesday, Marty Cassady shared with me what she saw and felt during our Celebration service. I asked her to write it up so I could share it with all of you to give an added perspective of what transpired:

There was an angelic presence from the start of the service Sunday morning. The sounds that were released were piercing into the heavens in such an incredible way that heaven had to respond! But at the point Chuck (Pierce) was getting ready to step up to do the message, a huge force hit the tabernacle. I saw the heavens open and an enormous host of angels sweep from the highest heaven down through the second heaven and hit the tabernacle. I could not count, but I believe there were hundreds or thousands, and the force was such that everyone felt it.

It was a host that I have never seen before, and they had

such authority and glory on them that they had no need of weapons. I saw no weapon! As they came through the second heaven, it was as if the second heaven had been hit with a bomb, and they swept through that place with no force of opposition. No force in the second heaven could take them on. The second heaven was left smoking, and the atmosphere of heaven was tangible in the tabernacle!"

Key Prophetic Revelation: Pray for Churches!

Such amazing revelation is being released at this time. My daughter, Rebekah Faubion, had a dream about churches and sent it to Keith, Pam and me. When she shared it, I immediately thought of Exodus 1:8, which says, "Now there rose up a new king over Egypt, who did not know Joseph."

Rebekah wrote:

I had this crazy dream: all night I was dreaming about churches. In the dream there had been a new tax levied against church land and buildings, so churches were shutting down because they couldn't afford to stay open. Being on the web became vital.

Let's start praying that the church gets protected to stop any government intervention like in the days of Constantine.

Break the Heads of Leviathan!

During our Head of the Year celebration, Dutch Sheets shared on Leviathan, as did many of our other speakers. I will also be teaching more about Leviathan in the days ahead. I first started teaching on this in the 1980s, but now is the time to really understand this structure.

Here is a prophecy I received yesterday from Candice Demerly. Let's start praying about the heads of Leviathan being broken!

I have a road for you and a code for you in My estates. I am making you aware of road signs. Hear the word of the Lord: You must come low that I may bring you up. Leviathan has been speaking and acting upon My people. They have been wise in their own eyes. I am breaking the spells. Witches and warlocks are manifesting. I am awaking My people from the spells within the church. They have been asleep trusting in a false cocoon. Their thinking has become twisted and skewed.

Cry out for mercy. Cry out for deliverance. Cry out for truth. I am the way, the truth and the light, and I am bringing false structures down. Arise, oh people of God! Awake from your slumber. Wash and be edified. Look to Me for truth. Let Me wash you from last season's confusion and restrictions that are binding. I am exposing people in this hour and calling the hidden things into the light. Look into the areas of confusion, for I am revealing what was not seen." {eoa}
