

Cindy Jacobs Issues Urgent Prophetic Prayer Alert for Middle East

In the beginning of July, I sent out a word that I was very concerned the situation in Iran could potentially escalate into a third world war—or at least a Middle Eastern regional war—which we and our allies could get pulled into.

Some of you know what happened recently in Saudi Arabia, with the oil wells set on fire.

New Prayer Points:

—Pray for the Middle East. I want us to pray for wisdom for President Trump and the leaders who advise him on these issues.

—Pray against the spirit of violence breaking out in the world. Let's pray against any potential wars.

—Pray for Iran, and for the Christians living there and across the Middle East. There are so many in those nations who really love Jesus, and we want to pray for their safety.

—I believe in the power of prayer. I also believe that we can stand on watch, put our shields up and protect the nations.
