

Cindy Jacobs Prophecies a Season of Acceleration

Many of you feel like you have so many dreams, but they're stuck. But the Lord would say, "I am in a season where I'm bringing suddenlies to pass. I'm in a season of acceleration."

And you would say, "But, Lord, I don't feel the acceleration."

The Lord would say to you, "Trust Me in that, for if you will begin to dream again, and if you would begin one by one by one, to decree: 'My provision is coming, my dream is coming, and the money I need for my capital for my business is coming.'"

The Lord says, "You must understand that there are powers of darkness in the heavens that do not want your blessings to come. So, begin to decree. Get up in the throne room, and speak the decrees, and you will begin to see things shaken loose. You will begin to see the change has come, and you will begin to see the blessings flow," says the Lord.

So don't be discouraged, but understand, as you begin to decree from the heavens down, so it shall be. {eoa}
