

Cindy Jacobs: The Lord Says, 'You Have More Faith Than You Think'

I wanted to send out a word of encouragement to you today. This is what I heard from the Lord.

For the Lord would say: "My children, you have more faith than you think you have. Some of you are in a time of serious doubting, serious introspection. Introspection can be good, but you have a lot of faith if you have the Holy Spirit inside of you. It's not your faith that you need to draw upon, but you need to have faith in God. If you have faith in God, then all things are possible."

What does that mean? When you need faith, you will have it. When you come up to a situation where you don't know what to do, faith is going to rise up inside of you.

So, the Lord says, "You have a measure of faith that is greater than you think, and it's going to get you through some hard times." {eo}
