

Crying for Community

Look around you, and you will discover people in your local congregation who desperately need to feel connected to others. Reach out to them. It will make their adjustment easier and bring glory to the Lord.

READ: Lev. 19:9-10; Deut. 16:11-15; Ps. 132:15; James 1:27; 1 John 3:17; Rev. 3:17.

HEART ISSUE: Step out of your comfort zone and get acquainted with someone you have seen often but have never met. Encourage them in Christ.

PRAYER FOCUS: Father, in the name of Jesus, help us to truly love one another and function with the kind of unity You prayed that we would have in John 17. Amen.
