

David Crowder Proclaims Holy Ghost Power: 'All the Stories Are True—He'll Heal You!'

David Crowder's new album, *I Know a Ghost*, finds the veteran Christian worship leader more open about his relationship with the Holy Spirit than ever before. The album's closing song, "Ghost," is a tribute to the Holy Spirit living inside of him. He performed the song live earlier this year at the Ez az a Nap 2018 conference in Budapest.
