

# { Day 64 }

Some people are like seed along the path, where the word is sown. As soon as they hear it, Satan comes and takes away the word that was sown in them. **—Mark 4:15**

Satan goes to great lengths to distort our concepts of God. But because such distortions can serve his “interests” in our lives, Satan is willing to invest as much time and work as it takes to secure those vulnerable areas of our minds for his own purposes. Those inaccurate, inadequate concepts place us in great peril. To the degree that our ideas about God are lower than the truth of God, to that degree we are surely weakened and defeated. In those places and upon the foundation of distorted truth Satan is able to gain ground and set up his strongholds in our lives.

## { PRAYER STARTER }

If there are inaccurate, distorted images of You within my life, Father, take them from me and reveal the truth of Your holiness. Satan will have no stronghold in my life.

**We dare not decide to ignore and just learn to  
live with the lies and misconceptions about  
God's personality that have been  
planted in our minds.**
