

HEALTH CARE

There are six things the Lord hates, seven that are detestable to him: haughty eyes, a lying tongue, hands that shed innocent blood, a heart that devises wicked schemes, feet that are quick to rush into evil, a false witness who pours out lies and a person who stirs up conflict in the community.

—Proverbs 6:16-19 (NIV)

The Affordable Care Act, popularly known as Obamacare, has stirred a divisive, heated debate that continues to be fought in the courtrooms of our nation. For Christians, the moral dilemma is huge, as we could be legally forced to partake in a system that financially supports the killing of babies.

With astronomical health care prices, it's obvious this is not an easy fix. We need government leaders who will implement a just health care plan rather than simply trying to please everyone. We must also pray that a solution will arise that does not force Christians to fund abortion.

- Pray for wisdom for lawmakers to create just legislation for the U.S. population.
- Pray for wisdom and discipline to care for the body God has given you.
