It's a shocking statistic! More than 80 and up to 90% of children who grow up in church are leaving the church once they reach 18. Sadly, only 40% return, according to Focus on the Family.

I believe, with prayer, we can defy those statistics. Indeed, God is trying to wake up the world—and I believe He is also going to wake up a massive number of prodigals in this season.

But, again, we need to pray.

Never underestimate the power of your prayers. It got saved because of the power of a praying great-grandmother and a praying grandmother.

God is in the business of saving people. He sent His only begotten Son into the world to seek and save those who are lost.
