

# Discerning the Call of a Seer

*Note: This is part one of a two-part series.*

Are you a seer? Every believer has the inherent ability to see in the spirit, so dreams and visions alone don't make you a seer.

A seer is a type of prophet. Jesus gives prophets to the church, according to Ephesians 4:11. A seer is not operating out of a gift, but out of an office.

In part one of this series, discover four signs that you may be a seer.
