

Discipleship Isn't a Formula

Our lives are shaped by voices—friends, family, co-workers, teammates, bosses, even ourselves—but only one Voice always brings life. And that Voice is always calling out to us. But are we listening? Are we letting that Voice shape us? At The Ascent, we believe that God is always speaking to us—at work, at home, in the car, in the peaks and valleys of our lives, and in the wilderness where we find ourselves more often than we'd like to admit.

We believe that in order to grow in friendship with God, you have to be a disciple. You have to learn how to hear His voice and obey it in the everyday moments of life.

The Ascent is a multi-year discipleship school that leads you in the discovery of who God is, who we are, and how we get to live with Him.

If you want to grow in hearing and obeying God's voice, if you want to take a journey through His story and take deeper dive into your own story, and if you are someone who wants to be disciplined, then The Ascent just might be the perfect place to take your next step. Visit for more information.
