

Do You Need A Miracle? It's In Your Mouth!

So many people are in need of a miracle these days. So many people are experiencing lack, illness and despair. So many of these people are Christian people that are bewildered as to why they are experiencing such hardship. The Christian life is not an easy one, but it is one of victory here on earth as it is in heaven.

You must have a clear understanding of what Jesus taught on how to be an overcomer. In Ephesians 1:19-20 Paul wrote that the same power that the Father used to raise Jesus from the dead is at work in us. Keeping in mind that Paul, even though chained in a Roman prison, penned this strong message should make it even more powerful to us now as we face these tumultuous days. Even though Paul was pressed on all sides, he remained steadfast and his ministry became one that has blessed us through the ages. Just as God did for Paul, God will fulfill all of His promises to us, for that same power is doing the same for us today. Many Christians need to grasp this more fully.

Are you currently facing hardship physically, mentally or spiritually? You can access your miracle by speaking life to every situation. Do not confess any negative thoughts that enter your mind. (Prov. 30:32) There is a "miracle in your mouth." Speak what you want. Declare you are healed. Declare you are free from anxiety. Declare you are out of debt. Speak more than enough and never lack. Speak over your children, speak over your spouse, speak over anything that concerns you morning, noon and night.

Jesus explained that we should "speak to our mountain" or any obstacles in our path and our situation will change according to our words. When the words we speak line up with God's word.

His power His released.

“Life and death are in the power of the tongue” (Prov. 18:21).

Your miracle is in your mouth. Your words have life! Choose life. Either you can speak good things upon your life or you can speak bad things upon your self. Start now by “calling those things that be not as though they are” (Rom. 4:17). Speak life continually and watch how God works it all out for good. God spoke the world into existence.

Pray:

“Set a guard, O Lord over my mouth; keep watch over the door of my lips” (Ps. 141:3).
