

Do You Need to Repent for Sowing Into False Prophets?

Have you sown into a false prophet? Did you fall into a money scam?

If you have been partnering with false prophets financially, you are actually part of the problem. You are helping them propagate false ideologies and pick people's pockets with personal prophecies.

God is not mad at you, but if you didn't discern this scam, you need to repent.

Watch this video, and let it set you free.
