

Don't Miss This App

Greenelines APP SATURDAY

Just one for you today, so you can focus on the possibilities.

1 Second Everyday

This is a video diary app. Capture one-second video moments on your iPhone and blend them to make your movie. The story of your life, a day or event.

Start with Father's Day. Take a few pics of your time together and save your day forever.

Think of all the ways you can use a video diary!
