

Dr. Michael Brown Fires Back at Cessationist John MacArthur's Anti-Charismatic Claims

Dr. Michael Brown says he agrees with John MacArthur on many things—but he takes issue with a segment from MacArthur's book *Strange Fire*. MacArthur's almost exclusively intellectual approach to faith, Brown says, misses a key truth of God's glory. Brown explains, "God's love for us transcends rational reason, and the relationship that we can have with God transcends rational reason." Check out Brown's full explanation in this video segment from his radio show.
