

Dr. Michael Brown: How the Gospel Is Gaining Ground in Israel

A very high percentage of Jews got saved during the Jesus Movement because many Jews were hippies/radicals/rebels, Dr. Michael Brown says on a recent episode of *The Jim Bakker Show*.

“It was quite remarkable,” Brown says. “Almost all the leaders I know in Jewish ministry today that are anywhere old enough, they all got saved within a two-to-three-year period then.”

And just as the United States may be seeing the next Jesus Revolution, Israel may not be far behind.

Take a look.
