

Dutch Sheets Prophecies: The Evil Plans of the Wicked Will Boomerang Back

The events of last week have shocked many Americans. While my responsibility and calling is not to defend individuals or political parties, it is worth pointing out that what the Left did on 8/8, has never been done in our 246-year history as a nation.

My assignment, however, is to help us identify what is going on behind the scenes spiritually, so we can pray more effectively.

Hebrews 12:25-29 (TPT) tells us:

“Make very sure that you never refuse to listen to God when He speaks! For the God who spoke on earth from Sinai is the same God who now speaks from heaven. Those who heard Him speak His living word on earth found nowhere to hide, so what chance is there for us to escape if we turn our backs on God and refuse to hear His warnings as He speaks from heaven?

“The earth was rocked at the sound of His voice from the mountain, but now He has promised, ‘Once and for all I will not only shake the systems of the world, but also the unseen powers in the heavenly realm!’

“Now this phrase ‘once and for all’ clearly indicates the final removal of things that are shaking, that is, the old order, so only what is unshakable will remain. Since we are receiving our rights to an unshakable kingdom we should be extremely thankful and offer God the purest worship that delights His heart as we lay down our lives in absolute surrender, filled with awe. For our God is a holy, devouring fire!”

We have asked God to shake loose the evil in our government and nation to expose and cleanse. This continues to happen with remarkable speed.

Turning on the Lights

It seems that all stops have been pulled out by those who want to completely transform our nation into something other than what we were created to be. They seek to distort our history, remove time-honored moral standards, take over our government and silence the church. Emboldened as never before, they feel no need to try and hide their agenda, sending drag queens to teach our kids and the Justice Department to those who object. This is disheartening, but their unmasking is necessary. *Exposure, exposure, exposure...*

We must continue to pray for the lights to be turned on and the evil to be dislodged. We must also ask God for grace to protect us as it occurs—that Haman’s gallows be used for himself, not the innocent. We must pray that all explosions be debris falling inward. And yet, we must cry out that nothing stops the ‘exposing’ and ‘draining’ of the stagnant, putrid swamp. May the odor become so offensive/unbearable that Americans appeal to heaven for mercy. We must ask that this wake-up call, which is becoming one of the loudest in our 246-year history, finally be answered by common sense, patriotism and zeal.

Sending the Fire

God will then do what only He can do—send the fire! His fire cleanses and redeems. The last two verses of the above passage in The Message translation are very poignant:

“Do you see what we’ve got? An unshakable Kingdom! And do you see how thankful we must be? Not only thankful, but brimming with worship, deeply reverent before God. For God is not an indifferent bystander. He’s actively cleaning house, torching all that needs to burn, and He won’t quit until it’s all

cleansed. God Himself is Fire!" (Heb. 12:28-29, MSG)

Boomerang

A trusted prophetic friend sent me a brief word this morning, accompanied by another powerful passage of Scripture. She said, "I hear the word, 'boomerang!' evil is about to boomerang back on the workers of iniquity and evil in our land." Holy Spirit then led her to Psalm 7:14-17 (again, from The Passion translation):

"Look how the wicked conceive their evil schemes. They go into labor with their lies and give birth to trouble. They dig a pit for others to fall into, not knowing that they will be the very ones who will fall into their own pit of failure. For You, God, will see to it that every pit-digger who works to trap and harm others will be trapped and harmed by their own treachery. But I will give all my thanks to You, Lord, for You make everything right in the end. I will sing my highest praise to the God of the Highest Place!"

I believe that this is a Word from the Lord. We must continue to believe that God is exposing evil and turning the tables on the evil one. Let the shaking and exposure continue.

A Great Wind Is Coming

I conclude with one other short word from Holy Spirit, sent to me last week by Sally Jadow, a chaplain in Kansas:

"Batten down the hatches, for a great wind is coming. It will blow the chaff out from the wheat in order to put the wheat in My barns. A time of great shaking—a strong winnowing is coming. The chaff will be blown away in the strong wind. The time of separating has come. My cup of wrath grows full, even to the brim. *(Photo via Wikimedia Commons)*

"Those who have thought themselves so clever will discover their utter folly—their utter foolishness. The first

‘trickling’s’ of the avalanche have begun—so minute, many have not yet noticed it. Others who are on watch see its beginnings but cannot fathom the magnitude and scope of its ruin. The downfall will be great. It will cause many to turn and repent. For others, they will only go farther into their sinfulness, cursing Me with even their last breath.

“It’s ‘sheep and goat’ time. Those who call on the name of the Lord will be saved; the others will go to condemnation. Each one may make his choice. I would that all would be saved—but each one makes their choice.”

Keep praying, church. Heaven is responding. {eoa}
