

Dutch Sheets Says God's Kingdom Is Breaking Forth

"Your kingdom come; Your will be done on earth, as it is in heaven" (Matt. 6:10).

On a recent episode of *Revealing God's Heart* on the Charisma Podcast Network, Denise Goulet hosts Dutch Sheets, an author, teacher and international speaker whose desire is to see America return to its godly foundation. Dutch is a revivalist, bringing kingdom advancement through intercession all across the nation. Denise talks with Dutch about God's kingdom breaking forth, not only in America but on the entire earth! Dutch shares his testimony, his sensing of the times we are in currently, how the *ekklesia* is rising—and with it, the remnant that is contending to partner with heaven and see God's kingdom realm on earth.

Dutch emphasizes our authority as believers in the body of Christ: "We now know what the *ekklesia* really means. It's the church; it's not a building, and it's not a service. It's an authority; it's a government; it's legislating for Him. It doesn't mean we are dictators in the natural, but in the Spirit we have the authority to legislate—to close doors, open doors, bind, loose. It's a matter of releasing the influence of Jesus the King into the earth—who is a lover, who is a Savior and a deliverer."
