

Evangelist Marilyn Hickey Says It's Not Over Until You Win

What a time I had with Marilyn Hickey!

On a recent episode of the *Keys Against the Enemy* on the Charisma Podcast Network, we talked about her book, *It's Not Over Until You Win*. In her autobiography, Marilyn is super transparent. This book will inspire you to believe and have faith in what would seem impossible.

In *It's Not Over Until You Win*, you can feel Marilyn's boldness and strength. From one page to the next, it gets more and more exciting. She shares many of her trials as well as many triumphs. This is overall one of the best autobiographies I have ever read. This is a must-read.

I had such a good time listening to the wisdom she shared about the importance of reading the Word of God. Abba gave her a powerful revelation when she was a little girl about His presence and where she could always find Him.

You definitely want to take a listen to *The Keys Against The Enemy* podcast to hear the entire interview. Marilyn Hickey also shares the importance of partnerships in ministry in the body of Christ. She talks about our roles in spreading the gospel all over the world and so much more.
