

Exclusive Report: Revival Breaks Out in Perth, Australia

Australia is hungry! Perth, Australia, is seeing the first fruits of revival. Salvations, signs, wonders and miracles are breaking out! In this live report from Perth, I was with my revivalist friends Daniel McCormick and Jacqui Ford to get an update on what is going on there. This revival broke out just days before the Awakening Australia tour, which will move through Perth, as a prophetic sign of how the Lord is unifying his people to press in for revival.
