

In New 'God's Not Dead,' Tragedy Strikes Small-Town Church

Vandals smashing church windows. Flames consuming the building. Questions about how Americans really feel about Christians. It's all in *God's Not Dead: A Light in Darkness*. The third iteration of the franchise has Rev. Dave (David A.R. White) at a loss what to do when vandals utterly destroy his church. The ensemble includes John Corbett (*All Saints*), Shane Harper (*God's Not Dead*) and Tatum O'Neal (*Paper Moon*). Watch the trailer and let us know what you think.
