

The Posture That Pleases God

The humble are rewarded with a vast knowledge of God's grace and strength because they wouldn't dream of taking credit for anything themselves. Humility is directly opposed to the culture in which we live. Nonetheless, it is a posture we are able to take by the grace of God.

Heart Issue

Those times when we are called to submit to another for Christ's sake can be terribly hard. Yet, there is grace from God for us if we will ask.

Prayer

Father, we pray for the gift of grace that compels us to do what is right. Help us to humble ourselves under Your hand and in submission to Your Word and each other. Bring conviction and correction to us, we pray. Amen.
