

Good and Perfect Gifts

The book of James admonished first-century Jewish believers to forgo the lure of worldliness and, in spite of persecution, to hold fast to their faith.

More than an epistle of trials, testings and temptations, James is a book of assurances and promises from the God of love to those who would choose to walk in the freedom of knowing Him.

READ: James 1:1-11; James 1:12-27; James 2:1-26; James 3:1-18; James 4:1-17; James 5:1-20.

HEART ISSUE: James 3 examines the power of the tongue. What has God spoken to you regarding your words?
